

Free match

The pattern repeat does not need to be observed.

Straight match

The pattern repeat on adjoining strips must be at the same height.

Offset match

The pattern repeat on adjoining strips must be offset by half a repeat.

Reverse alternate lengths

Every second strip must be hung upside down.

Extra-washable

Soiling can be removed using a sponge and soapy water.

Scrubbable

Soiling can be removed using a mild cleaner or soft brush.

Good colour fastness to light

Adhesive to be applied to the wallcovering

Paste is applied to the back of the wallcovering.

Paste the wall

Paste is applied to the wall, not to the back of the wallcovering.

Peelable

When redecorating, the top layer of the wallcovering can be pulled off without wetting.
The backing layer remains on the wall.

Strippable

When redecorating, the wallcovering can be completely peeled off the wall without wetting.

Non-woven backing
