## IGI Quality Mark Certificate

This is to certify that **PARATO SRL.** – Via della Tecnica 11 – 04011 Aprilia (Latina) – Italy.

Has by virtue of tests approved by IGI and carried out by the Wilhelm-Klauditz Institut (WKI) – Materialanalytik und Innenluftchemie in Braunschweig, Germany, become qualified and entitled to use the IGI Quality Logo:

On Wallcovering products of that company in the following qualifications:

- Solid Vinyl paper backed
- Non Woven Backed Solid Vinyl
- Wallpaper Simplex
- Non Woven Direct Printed

This certificate also records the existence of the company's own statement to IGI that its products are manufactured according to EN standards: EN 233:1999 and EN 259-1:2001.

The said company therefore has become a full member of the IGI Quality Scheme, having also covenanted to keep its records up to date, and to inform IGI of any relevant changes to its production standards and product ranges.
